**Instructions**

It is important that you supply complete and accurate information about all relevant business ownership, management, supervisory, and employment experience so that the BMV will be able to verify that experience from independent sources. Generally, proposers receive the most consideration for service as a deputy registrar, second most consideration for service as a business owner, third most consideration for service as a manager or supervisor, fourth most consideration as a deputy registrar employee without management experience, and least consideration for other employment experience without any supervisory or management experience. Be sure to include as much detailed experience possible within the submitted professional resume.

**Nonprofit corporations** must report only the businesses and activities conducted by the nonprofit corporation itself on Form 3.2(A) Business Ownership Experience. If the nonprofit corporation has operated a deputy registrar agency, that information should be entered and submitted on one Form 3.2(A) Business Ownership Experience. Any other business activities (fundraising, charitable activities, etc.) should also be entered and submitted on a separate 3.2(A) Business Ownership Experience. ### 3.3 CUSTOMER SERVICE EXPERIENCE

**Instructions.** Please give us a list of ideas you have to improve customer service at your deputy registrar agency. You will only receive full credit if you demonstrate sufficient customer service awareness.

- A. This is a list of ideas I have to improve customer service at my deputy registrar agency if I am awarded a contract (Please be specific) and/or this is an example of something I have done as part of my job or business to improve services for my customers (Please be specific):

As Deputy Registrar at the FPLB I am aware of our customers needs so that my staff delivers excellent customer service. We implement the ABC model of customer service. Attend to business on a personal level, move to the business at hand and conclude with a caring statement. The staff is trained to give excellent customer service and direction. We constantly work in the lobby where customers wait for their number from Qflow to be called to make sure they have the proper paperwork for their transaction. If customer does not have correct information we guide them on what they need and upon their return to come straight to the counter in order that we can complete their transaction. We constantly are aware of elderly people as well as people with disabilities that are in our office so that we can assist them as quickly as possible. We protect customers sensitive information by offering them to shred any sensitive information they wish not to keep. It is our job to listen and ask questions in order to accurately understand the customers need or request for their transaction. I always want to change the negative stereotype of the BMV in the manner that we deliver knowledgeable, accurate and customer friendly service in order that the customer has a positive experience. It is important to have regular staff meetings in order to build team unity because when a staff acts as one to meet the goals and objectives of the office which is to deliver excellent customer service then the customer encounters a positive experience at the BMV. We always try to greet the customer with a smile as I believe when people smile it diffuses any tension the customer may have coming to the BMV.

### 3.9 INVOLVED AND INVESTED IN YOUR BUSINESS

**Instructions:** Answer all of the following questions to the best of your ability. Please be concise and attempt to limit each answer to seventy-five (75) words or less. Include attachment(s) if more space is needed to answer any of the questions.

1. How do you plan to manage, be responsible, and be accountable for this business at all times?

As a Deputy Registrar I am at the office everyday except for vacation. I consider myself a hands on owner, and manager who is fully invested in the business as it is my livelihood and my reputation. I make it a point to be in the lobby so that I can interact with customers about their impressions of the business and their experience. I review daily reports of transactions to make sure they are correct. I need to make sure deposits and other sensitive information is handled in the correct manner. I have to lead by example in order to have a successful business.

2. How will you ensure that all laws, rules, guidelines and procedures are followed, at all times, specifically with regard to issuing and renewing driver's licenses, identification cards, and vehicle registrations?

Each employee is required to review broadcasts, emails and training documents each day before they service their first customer. At FPLB we train each employee on all new procedure changes and have them sign documentation that they understand the new procedure. I conduct frequent audits of clerks where I observe and evaluate their transactions. Management signs and verifies information on 5745 forms filled out by customers for DL/ID. Every transaction is reviewed the next business day.

3. What measures will you put in place to detect, deter, and prevent fraud?

We implement all BMV fraud detection policies. We conduct surprise cash audits on the clerks to verify transactions and money correct. A video surveillance system is installed to monitor the business. We audit the cash drawers first thing in the morning. No cell phones for the clerks and we shred all sensitive customer information. We have document destruction company that provides onsite shredding of sensitive documents. I constantly have a presence in customer area to observe clerks and their interactions with customers.

4. The Bureau of Motor Vehicles routinely issues new and/or revised policy and procedural changes through email broadcasts to the deputy registrars. How will you ensure that policies and procedures are communicated to the staff and followed on a daily basis?

Each employee is required to review all Broadcast in BASS daily. We print the broadcast and each employee is required to initial that they have read and understand each broadcast. Any policy or procedural changes that come through email are also printed and initialed. At weekly meetings we review any broadcast or emails from the week to make sure all employees are up to date on current policies and procedures.

5. How will you demonstrate good leadership to your employees?

Good leadership is by example. I believe being involved in the daily activities of the business sets the example. I treat each customer with respect and kindness and I expect my employees to do the same. We work with customers to deliver the solution they are trying to complete while staying within the guidelines of the BMV. I treat my employees like family and run like family business.

6. How will you maintain a high level of professionalism each day in this business?

I have been a business professional for 30 years and hold myself to very high standards. As a professional I am very goal and result oriented. I provide excellent customer service and I demand that our employees do the same with their customers. In the office we treat each other with respect and courtesy. We also demand employees look professional and keep office clean.

7. How do you intend to recruit and retain high quality employees?

As Deputy Registrar I have 24 employees that work for me at the FPLB. We are a veteran staff that works well together and have been together for many years. When the need arises to hire a new employee I use referrals from my current employees. I also use the resources of BMV district staff. I believe we have low turnover due to the work environment we create with good pay and benefits.

8. How will you provide a safe, clean and friendly place to do business?

Safety is a top priority. We have a security system and great relationship with the local police department. At our location it is also a benefit that we have the Investigations division connected with our office. We always operate with a number of employees on duty at one time. The office staff cleans the office everyday. In addition we have someone come in once a week for a thorough clean. We have a veteran staff and enjoy working together and we always greet customers with a smile.

9. How would you deal with an irate customer?

First thing to understand is that the customer is not mad at us but rather frustrated with not being able to complete their objective. I focus I what we are able to accomplish and avoid using the words we can't or will not do for the customer. I work with the customer to come to a solution together so they feel apart of that decision and do it with a calming voice. The key is always to deescalate the situation not escalate. We put them in contact with the correct resources so that they are able to obtain proper documents in order to complete their objective. Also I provide them my phone number so they are able to contact me if they need further assistance.

10. What training or advice do you, or will you, give to your employees for dealing with irate customers?

I give my employees the same advice that I follow, Do not focus on what we cannot do but rather what we are able to do to solve the issue. Give them good solutions and provide them direction in helping them determine exactly what they need so we can serve them. If the employee is unable to handle the situation they are instructed to get myself or a manager involved to resolve the issue.

11. How will you meet the expectations of the Bureau of Motor Vehicles?

I will meet the expectations of the BMV by following all the rules and regulations. I am a very active Deputy Registrar in every aspect of the business. We will provide excellent customer service and do it within the guidelines of the BMV. I will be working with the customers on a daily basis to make sure we are meeting their expectations. I will provide my staff an enjoyable and safe working environment. I will protect the customers information by making sure we follow the sensitive document policy. We will be a great face for the BMV whom we represent and expects us to deliver excellent customer service so that the customer has an enjoyable experience.

12. Why should the Bureau of Motor Vehicles consider you for a deputy registrar license agency contract?

The BMV should reappoint me as Deputy Registrar based on my service as a Deputy Registrar over the past 19 years. I am hardworking and very active in the business. I am committed to being ethical, honest and dedicated to this business. Our customer reviews reflect a 98% approval rating which in turn looks good for the BMV. My Financial and Observation reviews by BMV staff have been excellent over my tenure as a Deputy Registrar. I feel I have a great working relationship with my District office, License Control and DTS. I try to change the negative stereotype of the BMV by making the customers visit enjoyable. I continue to lead by setting the example for my employees through great customer service and business professionalism.
