FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE
FORM 3.2(B) MANAGEMENT AND/OR SUPERVISORY EXPERIENCE
FORM 3.2(C) EMPLOYEE EXPERIENCE

Instructions

It is important that you supply complete and accurate information about all relevant business ownership, management, supervisory, and employment experience so that the BMV will be able to verify that experience from independent sources. Generally, proposers receive the most consideration for service as a deputy registrar, second most consideration for service as a business owner, third most consideration for service as a manager or supervisor, fourth most consideration as a deputy registrar employee without management experience, and least consideration for other employment experience without any supervisory or management experience. Be sure to include as much detailed experience possible within the submitted professional resume.

Nonprofit corporations must report only the businesses and activities conducted by the nonprofit corporation itself on Form 3.2(A) Business Ownership Experience. If the nonprofit corporation has operated a deputy registrar agency, that information should be entered and submitted on one Form 3.2(A) Business Ownership Experience. Any other business activities (fundraising, charitable activities, etc.) should also be entered and submitted on a separate 3.2(A) Business Ownership Experience. Use a separate Form 3.2 for each separate business activity performed by the NPC and a separate Form 3.2(A) for each separate business activity performed by the NPC.

Form 3.2(A) Business Ownership Experience. Deputy registrars, nonprofit corporations, county auditors, clerks of courts, and individuals should use this form to report on businesses actually owned and operated by them.

Form 3.2(B) Management and/or Supervisory Experience. Individuals, county auditors, and clerks of courts should use this form to report management and supervisory experience performed by them. Service as a county auditor or clerk of court qualifies as management and supervisory experience.

Form 3.2(C) Employee Experience. Individuals, county auditors, and clerks of courts should use this form to report all other employment that did not include management or supervisory authority.

FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE

Instructions. Please fill out one of these forms 3.2(A) for each business you have owned. Do not use this form 3.2(A) for management, supervisory, or employee experience. If you have owned more than one business, submit a separate for 3.2(A) for each business owned. *Please make additional copies of this form as necessary.*

3.9 INVOLVED AND INVESTED IN YOUR BUSINESS

Instructions: Answer all of the following questions to the best of your ability. Please be concise and attempt to limit each answer to seventy-five (75) words or less. Include attachment(s) if more space is needed to answer any of the questions.

1. How do you plan to manage, be responsible, and be accountable for this business at all times?

I will be responsible and accountable for the business by being a hands on working Deputy Registrar as I have for the last 10 years. My employees understand I am responsible for everything they do. Therefore, I will ensure the staff is well trained in policy and procedures. They will be trained to be capable of handling transactions and situations that occur. When I am out of the office I will always be available by cell phone.

2. How will you ensure that all laws, rules, guidelines and procedures are followed, at all times, specifically with regard to issuing and renewing driver's licenses, identification cards, and vehicle registrations?

To ensure the laws, rules and guidelines are being followed I ensure the clerks are fully trained in all BMV processing procedures. The clerks will also be familiar with the Drivers License and Vehicle registration manuals and the ORC and OAC. Managers along with myself will supervise clerks doing transactions and check the applications that are being processed for errors. When I am supervising clerks doing transactions if I see them doing something incorrectly, I will correct them professionally so we can finish the customer as quickly as possible. Immediately after the transaction I will train/coach the clerk to prevent the clerk from making the same error again.

3. What measures will you put in place to detect, deter, and prevent fraud?

All employees will complete fraud training on the computer provided by the BMV. All employees will be aware of where the fraudulent document training tools are located in the office. Clerks will be required to look at all documents to ensure they are authentic if there is a document in question the clerks will get a manager or myself to have reviewed. If the documents are fraudulent then fraudulent procedures will be followed as stated in the BMV manual. Most importantly watching the clerks to ensure they are checking the documents, signatures, and pictures in BASS to be sure they are processing and verify who they are waiting on.

4. The Bureau of Motor Vehicles routinely issues new and/or revised policy and procedural changes through email broadcasts to the deputy registrars. How will you ensure that policies and procedures are communicated to the staff and followed on a daily basis?

Broadcasts are printed immediately after being sent by the BMV. A supervisor will take the broadcast to each employee and have them read and initial. If there are any questions about the broadcast the supervisor will answer them at that time. The broadcasts are placed in a 3-ring binder for reviewing at any time. At the end of the day a Manager or myself will discuss the broadcast with the whole team.

5. How will you demonstrate good leadership to your employees?

I will demonstrate good leadership by being professional, kind and respectful to my employees and customers. I will lead my staff by being a team player with a positive attitude. I always ask the clerks do they need help with anything? Is there any thing I can explain to you better to help you understand a policy or procedure?

6. How will you maintain a high level of professionalism each day in this business?

I will train my employees to be professional, respectful and kind to the customers and each other at all times. I will ensure each clerk treats their customer with kindness and respect. If there is a time where I see a clerk not treating a customer the way they should be treated. I will pull them aside and have a conversation with the clerk to get their behavior corrected. If its severe enough it will result in discipline.

7. How do you intend to recruit and retain high quality employees?

While it is challenging to retain quality employees, I use a couple of different resources such as Indeed, the local new paper and online recruiting companies. I run not only the BCI/FBI background check but I also use an online court records system. Most times it hard to retain high quality employees because of the pay and benefits. I feel if I can own/operate several license agencies then I would be able to raise wages to compete with other local business, such as fast food chains, banks, shopping stores, and factories etc.

8. How will you provide a safe, clean and friendly place to do business?

I will provide a clean environment by having a daily cleaning list. The employees will clean during slow times and maintenance will be done on the weekends when we are closed. I will make the office safe by having the video surveillance and panic buttons available as a part of the security system. Keep the employees happy is a way to keep the agency a friendly place of business. If the staff is happy they will be nice and friendly to the customers and always put them first.

9. How would you deal with an irate customer?

How I deal with an irate customer is by letting them explain the problem or the situation they are in. Most of the time customers just want to be heard. I would give the customer options and let them choose what they would like to do. I show them empathy and kindness to help them understand the options I gave them. If I can't solve their situation, I will give them a phone number or address to someone that can. My last attempt if needed I would call the BMV help desk for suggestions.

10. What training or advice do you, or will you, give to your employees for dealing with irate customers?

I will train my employees to stay calm listen to the customer completely. The clerk should try to figure out a solution for the customer if they can't then they should get a manger to help with the situation. We always want the customer to leave with a positive attitude toward the agency.

11. How will you meet the expectations of the Bureau of Motor Vehicles?

I will continue to meet the expectation of the BMV by serving the customers with the highest level of respect and kindness. My staff and I will continue to follow all laws, policies and procedures in the ORC, OAC,RFP and Deputy registrar manuals

12. Why should the Bureau of Motor Vehicles consider you for a deputy registrar license agency contract?

The BMV should consider me because I have been a Deputy Registrar for the last 10. I currently have to agencies and 29 years experience in a License Agency. I am very hardworking and dedicated to my agencies and will continue to be. I believe I can over come any obstacle or challenge put in front of me. I really do enjoy my job. It's my absolute pleasure serving the citizens of Ohio and I really hope I get the opportunity to continue to do so.
