28. Employment, management, supervisory, and business experience. Each Proposer's experience is one of the most important factors to be considered in the award of deputy registrar contracts. For the purposes of this RFP, experience gained prior to the year 1990 will not be evaluated or considered. Please provide a professional resume, in chronological order (no earlier than 1990), the positions you have held. If the position you held in 1990 was one you started before 1990, you may list that position and the date you actually started on your submitted resume. If you did not hold any position in 1990, please begin with the first position you held after 1990. If applying as a NPC, please provide a description of the fundraising, program, and charitable functions of the nonprofit corporation.

FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE FORM 3.2(B) MANAGEMENT AND/OR SUPERVISORY EXPERIENCE FORM 3.2(C) EMPLOYEE EXPERIENCE

Instructions

It is important that you supply complete and accurate information about all relevant business ownership, management, supervisory, and employment experience so that the BMV will be able to verify that experience from independent sources. Generally, proposers receive the most consideration for service as a deputy registrar, second most consideration for service as a business owner, third most consideration for service as a manager or supervisor, fourth most consideration as a deputy registrar employee without management experience, and least consideration for other employment experience without any supervisory or management experience. Be sure to include as much detailed experience possible within the submitted professional resume.

Nonprofit corporations must report only the businesses and activities conducted by the nonprofit corporation itself on Form 3.2(A) Business Ownership Experience. If the nonprofit corporation has operated a deputy registrar agency, that information should be entered and submitted on one Form 3.2(A) Business Ownership Experience. Any other business activities (fundraising, charitable activities, etc.) should also be entered and submitted on a separate 3.2(A) Business Ownership Experience. Use a separate Form 3.2 for each separate business activity performed by the NPC and a separate Form 3.2(A) for each separate business activity performed by the NPC.

Form 3.2(A) Business Ownership Experience. Deputy registrars, nonprofit corporations, county auditors, clerks of courts, and individuals should use this form to report on businesses actually owned and operated by them.

Form 3.2(B) Management and/or Supervisory Experience. Individuals, county auditors, and clerks of courts should use this form to report management and supervisory experience performed by them. Service as a county auditor or clerk of court qualifies as management and supervisory experience.

<u>Form 3.2(C) Employee Experience</u>. Individuals, county auditors, and clerks of courts should use this form to report all other employment that did not include management or supervisory authority.

FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE

Instructions. Please fill out one of these forms 3.2(A) for each business you have owned. Do not use this form 3.2(A) for management, supervisory, or employee experience. If you have owned more than one business, submit a separate for 3.2(A) for each business owned. *Please make additional copies of this form as necessary*.

3.3 CUSTOMER SERVICE EXPERIENCE

Instructions. Please give us a list of ideas you have to improve customer service at your deputy registrar agency. You will only receive full credit if you demonstrate sufficient customer service awareness.

A. This is a list of ideas I have to improve customer service at my deputy registrar agency if I am awarded a contract (Please be specific) and/or this is an example of something I have done as part of my job or business to improve services for my customers (Please be specific):

If awarded this agency my employees and I would maintain the high standard of customer service and office cleanliness. All employees and myself will maintain a pleasant and willing attitude, completing transactions promptly and efficiently.

Promote 'get in line online' to reduce customers wait time.

Continue the use of translation tools to further assist the large Haitian community in this area. Open to the possibility of hiring an individual who is fluent in both English and Haitian Creole to help reduce wait times with our Hattian population.

Increase awareness of online services so certain forms and information could be gathered and completed prior to visiting our agency.

Since having agency 1218 I have obtained a sticker kiosk to help reduce wait times and to provide more convenience to our customers. Another change to the agency since I became a deputy registrar is we now have DX testing computers so customers are also able to take permit tests in the agency. I have also opted to add a Q-Flow TV that calls customers numbers for a more streamlined customer experience.
