FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE
FORM 3.2(B) MANAGEMENT AND/OR SUPERVISORY EXPERIENCE
FORM 3.2(C) EMPLOYEE EXPERIENCE

Instructions

It is important that you supply complete and accurate information about all relevant business ownership, management, supervisory, and employment experience so that the BMV will be able to verify that experience from independent sources. Generally, proposers receive the most consideration for service as a deputy registrar, second most consideration for service as a business owner, third most consideration for service as a manager or supervisor, fourth most consideration as a deputy registrar employee without management experience, and least consideration for other employment experience without any supervisory or management experience. Be sure to include as much detailed experience possible within the submitted professional resume.

Nonprofit corporations must report only the businesses and activities conducted by the nonprofit corporation itself on Form 3.2(A) Business Ownership Experience. If the nonprofit corporation has operated a deputy registrar agency, that information should be entered and submitted on one Form 3.2(A) Business Ownership Experience. Any other business activities (fundraising, charitable activities, etc.) should also be entered and submitted on a separate 3.2(A) Business Ownership Experience. Use a separate Form 3.2 for each separate business activity performed by the NPC and a separate Form 3.2(A) for each separate business activity performed by the NPC.

Form 3.2(A) Business Ownership Experience. Deputy registrars, nonprofit corporations, county auditors, clerks of courts, and individuals should use this form to report on businesses actually owned and operated by them.

Form 3.2(B) Management and/or Supervisory Experience. Individuals, county auditors, and clerks of courts should use this form to report management and supervisory experience performed by them. Service as a county auditor or clerk of court qualifies as management and supervisory experience.

Form 3.2(C) Employee Experience. Individuals, county auditors, and clerks of courts should use this form to report all other employment that did not include management or supervisory authority.

FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE

Instructions. Please fill out one of these forms 3.2(A) for each business you have owned. Do not use this form 3.2(A) for management, supervisory, or employee experience. If you have owned more than one business, submit a separate for 3.2(A) for each business owned. *Please make additional copies of this form as necessary.*

3.3 CUSTOMER SERVICE EXPERIENCE

Instructions. Please give us a list of ideas you have to improve customer service at your deputy registrar agency. You will only receive full credit if you demonstrate sufficient customer service awareness.

- A. This is a list of ideas I have to improve customer service at my deputy registrar agency if I am awarded a contract (Please be specific) and/or this is an example of something I have done as part of my job or business to improve services for my customers (Please be specific):

At my current agency, I have a designated person to sign people in during busier times. The person designated for sign in greets the customer upon entering, determines their transaction requirements, sorts through documents, and distributes forms that need to be filled out. I feel this process eliminates the wait time for the customer and minimizes the time required at the counter. This process is a win-win for the customer and the agency.

The agency will provide as many services as permitted by the BMV to try to accommodate the community and reduce traveling to multiple locations. Examples of additional services include but are not limited to; temporary testing for operator and motorcycle licenses, boat registrations hunting and fishing licenses, webcheck, notary services and reinstatement processing.

3.9 INVOLVED AND INVESTED IN YOUR BUSINESS

Instructions: Answer all of the following questions to the best of your ability. Please be concise and attempt to limit each answer to seventy-five (75) words or less. Include attachment(s) if more space is needed to answer any of the questions.

1. How do you plan to manage, be responsible, and be accountable for this business at all times?

In my opinion, being present and available is key to running a successful agency. I will provide experienced employees and will supervise and work along side of my staff as needed. I will have a manager and an assistant manger that I will rely heavily on because if awarded this location, it will be a second contact location for me.

2. How will you ensure that all laws, rules, guidelines and procedures are followed, at all times, specifically with regard to issuing and renewing driver's licenses, identification cards, and vehicle registrations?

All of the BMV's procedures and policies have checks and balances. Myself, along with management will watch, listen and review the transactions that take place. Training will be available for changes that may occur or to review if someone needs further instruction.

3. What measures will you put in place to detect, deter, and prevent fraud?

There is no substitute for being present. If something is brought forward as something to watch, I take it VERY seriously. An employee brought theft to my attention, blaming my manager that had been around the BMV for 35 years. After searching records, checking drawers, looking through documents, getting field staff and investigations involved, this manager was forced to resign. What you allow, will continue. There had to be an example set and a zero tolerance policy in place. I will continue to stand firm in my expectations and standards.

4. The Bureau of Motor Vehicles routinely issues new and/or revised policy and procedural changes through email broadcasts to the deputy registrars. How will you ensure that policies and procedures are communicated to the staff and followed on a daily basis?

The BMV already has a policy in place that all broadcasts need to be initialed after read by each employee. I will re-enforce this policy with staff and check the broadcast book regularly.

5. How will you demonstrate good leadership to your employees?

I believe that great communication is the best way to demonstrate good leadership. The way you communicate with the public, with state employees, and with agency management and staff sets the stage for every transaction and procedure that takes place within the agency. Listening, remaining calm and pleasant will set a good example all the way around and help with maintaining respect.

6. How will you maintain a high level of professionalism each day in this business?

The license bureau is a state entity and a business environment. Attire, manners and training will advertise our brand. Line and time management will allow customers to have a reduced wait time and a better, more professional experience.

7. How do you intend to recruit and retain high quality employees?

As a current deputy registrar with 30 years of BMV agency experience and almost 19 years as a deputy registrar, I have a lot of knowledge to share. I have acquired and maintained high quality staff previously and will extend an offer to the current agency staff to ensure proper staffing.

8. How will you provide a safe, clean and friendly place to do business?

A clean environment is a safe environment. The agency will have daily and weekly cleaning tasks that will be regularly shared by the agency staff. We will utilize a chart of items to be cleaned regularly and they are initialed by the staff as they are completed. Staff is encouraged and expected to be polite and attentive to the agency guests/customers. Staff will be expected to greet customers as they enter, to allow the customer to know that they are welcome and that we are there to help them.

9. How would you deal with an irate customer?

When dealing with an irate customer, my first goal is to listen to the concern of the customer. I try to speak slowly and softly with genuine care and allow them to express their complaint or concern to de-escalate the situation. I always try to be reasonable and pride myself on creative solutions within the laws of the State of Ohio, and BMV policy and procedures. As often as possible, I try to give the customer options on the outcome of a situation to give them some sense of satisfaction and control.

10. What training or advice do you, or will you, give to your employees for dealing with irate customers?

I will teach my staff to offer options and be considerate of the customers complaint. Supervisors are available at all times to assist with complaints and we will use our vast supply of resources available within the BMV and its help desks as needed.

11. How will you meet the expectations of the Bureau of Motor Vehicles?

I will continue to meet the expectations of the Bureau of Motor Vehicles by giving great customer service. I strive to provide a positive environment for both staff and the agencies customers. I have dedicated over 30 years of my life to customer service within license bureaus in Ohio. Good work ethic, a positive attitude, and a kind and lending hand while following the rules, regulations, laws and policies and procedures will contribute to meeting the BMV's expectations.

12. Why should the Bureau of Motor Vehicles consider you for a deputy registrar license agency contract?

The BMV should consider me for a second agency location because I have 30 years of dedicated experience with the BMV. I have almost 19 years experience as a deputy registrar. In 2006, I took over my first agency with a smooth transition. In 2012, I moved my first agency to a brand new build out, effortlessly. In 2020, during COVID, I bid on a bigger location and won the bid. Not only did I comply with all of the requirements because of COVID(at BOTH locations), I ended up closing a location and opening a new location to me, seamlessly. In February of last year, my uncle was the DR of agency 1861 and suffered a massive heart attack. Unphased by the unknown, I knew it was my responsibility to step up and make sure his location continued to operate as both he and the BMV would expect. Schedules, staffing, payroll, and paperwork... I was the only person who could fill these shoes. When my uncle retired from 1861 in November, my uncle was again not well. I showed up to pack the days before close.. The day of the transition, I showed up with a truck/trailer and bodies to pack. We emptied the entire building in 2 hours. I feel I have been reliable, adaptable and selfless in the dedication I have provided to the BMV and it's customers. For this dedication, I ask to be considered for this contract.
