FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE
FORM 3.2(B) MANAGEMENT AND/OR SUPERVISORY EXPERIENCE
FORM 3.2(C) EMPLOYEE EXPERIENCE

Instructions

It is important that you supply complete and accurate information about all relevant business ownership, management, supervisory, and employment experience so that the BMV will be able to verify that experience from independent sources. Generally, proposers receive the most consideration for service as a deputy registrar, second most consideration for service as a business owner, third most consideration for service as a manager or supervisor, fourth most consideration as a deputy registrar employee without management experience, and least consideration for other employment experience without any supervisory or management experience. Be sure to include as much detailed experience possible within the submitted professional resume.

Nonprofit corporations must report only the businesses and activities conducted by the nonprofit corporation itself on Form 3.2(A) Business Ownership Experience. If the nonprofit corporation has operated a deputy registrar agency, that information should be entered and submitted on one Form 3.2(A) Business Ownership Experience. Any other business activities (fundraising, charitable activities, etc.) should also be entered and submitted on a separate 3.2(A) Business Ownership Experience. Use a separate Form 3.2 for each separate business activity performed by the NPC and a separate Form 3.2(A) for each separate business activity performed by the NPC.

Form 3.2(A) Business Ownership Experience. Deputy registrars, nonprofit corporations, county auditors, clerks of courts, and individuals should use this form to report on businesses actually owned and operated by them.

Form 3.2(B) Management and/or Supervisory Experience. Individuals, county auditors, and clerks of courts should use this form to report management and supervisory experience performed by them. Service as a county auditor or clerk of court qualifies as management and supervisory experience.

Form 3.2(C) Employee Experience. Individuals, county auditors, and clerks of courts should use this form to report all other employment that did not include management or supervisory authority.

FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE

Instructions. Please fill out one of these forms 3.2(A) for each business you have owned. Do not use this form 3.2(A) for management, supervisory, or employee experience. If you have owned more than one business, submit a separate for 3.2(A) for each business owned. *Please make additional copies of this form as necessary.*

3.9 INVOLVED AND INVESTED IN YOUR BUSINESS

Instructions: Answer all of the following questions to the best of your ability. Please be concise and attempt to limit each answer to seventy-five (75) words or less. Include attachment(s) if more space is needed to answer any of the questions.

1. How do you plan to manage, be responsible, and be accountable for this business at all times?

I plan on being in the agency , checking all paperwork and assisting my staff as needed. My assistant manager and I have to be alert at all times. All employees have weekly schedules that are posted. All terminals are adequately staffed during periods of high volume. I check on my employees customer's satisfaction at all times. Also all employees can reach me at anytime , such as when I am not on the floor.

2. How will you ensure that all laws, rules, guidelines and procedures are followed, at all times, specifically with regard to issuing and renewing driver's licenses, identification cards, and vehicle registrations?

Observing and having all employees trained on the correct way to do procedures per B.M.V rules and investigative procedures. Employees are required to read and sign all broadcasts with copies kept on file. My evaluation of this policy is perfect. All Bass communications and Deputy manual changes are also printed, shared with employees, discussed as necessary and the manual is kept updated and available for review. Additional employee training for any system or procedural changed is always supported.

3. What measures will you put in place to detect, deter, and prevent fraud?

All staff is required to go though fraudulent document training. They verify with deputy or assistant manager that all documenta are authentic before releasing DR or State ID'S. A video surveillance camera will be on at all time monitoring employees activity and transactions. I stay on the floor working with customers often and observing customer / employees interaction. No one is allowed to have a customer come in to them only. All employees must have a deputy or manager take a seconed look at their transactions before the customer leaves.

4. The Bureau of Motor Vehicles routinely issues new and/or revised policy and procedural changes through email broadcasts to the deputy registrars. How will you ensure that policies and procedures are communicated to the staff and followed on a daily basis?

Employees are required to read and sign broadcasts with copies kept on file. My evaluation of this policy is perfect. In addition, both the Deputy and assistant manager will be on the floor monitoring employees transactions and we will make ourselves available to answer any and all questions. If unsure of a process employees are encouraged to contact Columbus for clarification.

5. How will you demonstrate good leadership to your employees?

I lead by teaching and helping employees to learn more everyday. I learned early on that no one person can manage the counter by themselves we must work together. Hopefully through maintaining a high level of energy, cleanliness and organization I have motivated my employees to follow my lead and provide an exceptional customer experience.

6. How will you maintain a high level of professionalism each day in this business?

I have always and will continue to lead by example. This includes setting the standard for dress, punctuality and customer service. We meet and greet customers in a pleasant manner at all times. Organization, bureau appearance, cleanliness and the overall customer experience are managed daily by me personally. My assistant manager and clerical help have a clear understanding of my standards and expectations for their adherence.

7. How do you intend to recruit and retain high quality employees?

Employee selection begins with a thorough application review by me. I will interview and recruit all current promising candidates. The selected candidates will undergo a 90 day evaluation period as listed in the employee handbook. Only those meeting my expectations for quality are allowed to stay on beyond that time. If needed new employees will get recruited and hired.

8. How will you provide a safe, clean and friendly place to do business?

Meet and greet all customers in a positive manner at all times. Maintain a clean and organized environment for my agency. All employees are scheduled to clean certain areas weekly and to maintain their work stations on a daily basis. Also panic buttons are placed at every other terminal so each individual employee is aware of their locations.

9. How would you deal with an irate customer?

I allow the customer to state their frustration and demonstrate empathy. I will often solicit the opinion of my assistant manager to demonstrate to the customer my response is accurate. If the customer proceeds further I offer to phone Columbus and speak with DTS. If this still does not diffuse the situation I will provide the customer the number to Customer Service (844)-664-6268 or Field Rep.

10. What training or advice do you, or will you, give to your employees for dealing with irate customers?

I explain that they should respond by not raising their voice and keeping calm with the customer following the same step outlined in question 9. If they don't feel comfortable handling the situation they are to ask for me or the assistant manager to resolve.

11. How will you meet the expectations of the Bureau of Motor Vehicles?

By following rules and guidelines that are in place for me. On a daily basis I review the licenses, state IDs, temp permits, vehicle registrations, customer handling and other policies. I adhere strictly to the deputy manual and communicate with my Field Rep for clarification and follow-up until such items are cleared up. This combination has been very successful. I will be sure to attend meetings that are requested, network with other deputies, and be member of ODRA.

12. Why should the Bureau of Motor Vehicles consider you for a deputy registrar license agency contract?

Over the course of 20 years I have gained the experiences and the knowledge of how to manage a license bureau. As a Deputy Registrar I will make sure all my employees are trained. I know how to create a team that will follow all rules and expectations, policies, procedures and laws that are required. I am an individual that takes pride in helping to assist the public complete their transactions and making sure they are satisfied. As a Deputy I am involved on a daily basis and I am professional at all times. I am people person with wonderful customer service skills.
