FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE FORM 3.2(B) MANAGEMENT AND/OR SUPERVISORY EXPERIENCE FORM 3.2(C) EMPLOYEE EXPERIENCE

Instructions

It is important that you supply complete and accurate information about all relevant business ownership, management, supervisory, and employment experience so that the BMV will be able to verify that experience from independent sources. Generally, proposers receive the most consideration for service as a deputy registrar, second most consideration for service as a business owner, third most consideration for service as a manager or supervisor, fourth most consideration as a deputy registrar employee without management experience, and least consideration for other employment experience without any supervisory or management experience. Be sure to include as much detailed experience possible within the submitted professional resume.

Nonprofit corporations must report only the businesses and activities conducted by the nonprofit corporation itself on Form 3.2(A) Business Ownership Experience. If the nonprofit corporation has operated a deputy registrar agency, that information should be entered and submitted on one Form 3.2(A) Business Ownership Experience. Any other business activities (fundraising, charitable activities, etc.) should also be entered and submitted on a separate 3.2(A) Business Ownership Experience. Use a separate Form 3.2 for each separate business activity performed by the NPC and a separate Form 3.2(A) for each separate business activity performed by the NPC.

Form 3.2(A) Business Ownership Experience. Deputy registrars, nonprofit corporations, county auditors, clerks of courts, and individuals should use this form to report on businesses actually owned and operated by them.

Form 3.2(B) Management and/or Supervisory Experience. Individuals, county auditors, and clerks of courts should use this form to report management and supervisory experience performed by them. Service as a county auditor or clerk of court qualifies as management and supervisory experience.

<u>Form 3.2(C)</u> Employee Experience. Individuals, county auditors, and clerks of courts should use this form to report all other employment that did not include management or supervisory authority.

FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE

Instructions. Please fill out one of these forms 3.2(A) for each business you have owned. Do not use this form 3.2(A) for management, supervisory, or employee experience. If you have owned more than one business, submit a separate for 3.2(A) for each business owned. *Please make additional copies of this form as necessary*.

3.3 CUSTOMER SERVICE EXPERIENCE

Instructions. Please give us a list of ideas you have to improve customer service at your deputy registrar agency. You will only receive full credit if you demonstrate sufficient customer service awareness.

A. This is a list of ideas I have to improve customer service at my deputy registrar agency if I am awarded a contract (Please be specific) and/or this is an example of something I have done as part of my job or business to improve services for my customers (Please be specific):

In the past eight years as a Deputy Registrar, I have hired a very courteous staff who are willing to go above and beyond. My clerks and I assist the elderly with placing stickers on the plates and attaching the plates onto the vehicle. Also, I routinely work with the local charities to assist the underprivileged to obtain Ohio credentials at no cost.

Since we have gone to Central Issuance, my Clerks and I have assisted numerous customers regarding the Compliant License. If a customer does not have all the needed documents, we explain to them what documents are required to bring back. If the customer returns the same business day, we assist them without making them wait in line again.

My staff and I have a great working relationship with the Exam Station and Title Office. To assist customers wishing to receive plates for Out of State Inspections, we make an announcement 15 minutes before the Title Office closes.

I also took part in Q-Flow to assist customers with the In-Line/On-Line, which has been a great feature for me and my staff. The feature allows our customers to get in line prior to arriving to my office. It allows me the opportunity to manage my office and assist customers in so many more ways.

In addition to Q-Flow, I am currently taking part in the IRP system. It seemed to be quite an undertaking at first, but we have succeeded in helping IRP customers by either assisting them directly or being the face to assist the customers through their transactions as best we can. Piloting the BMV Kiosk has been a great assistance to the customer allowing convenience to the motoring public.

3.9 INVOLVED AND INVESTED IN YOUR BUSINESS

Instructions: Answer all of the following questions to the best of your ability. Please be concise and attempt to limit each answer to seventy-five (75) words or less. Include attachment(s) if more space is needed to answer any of the questions.

1.	How do you plan to manage, be responsible, and be accountable for this business at all times?
	By being an active day-to-day employee within the business, I have gained firsthand knowledge of
	the daily business operations to manage situations personally and effectively. The hiring and
	maintaining of good employees with morals and ethics encourages accountability. I take
	responsibility for the business by making every attempt to right any situation that has been

2. How will you ensure that all laws, rules, guidelines and procedures are followed, at all times, specifically with regard to issuing and renewing driver's licenses, identification cards, and vehicle registrations?

I have regular staff meetings to review rules, regulations, policies, procedures, and laws. During staff meetings, I encourage employees to ask questions and take the necessary training. Bulleted reminders of procedures are posted at workstations. A log book with broadcasts containing new directives and law changes is kept in an open, safe environment for employees' review. Failure to adhere to any policies could result in disciplinary action

3. What measures will you put in place to detect, deter, and prevent fraud?

wronged.

I have cameras in operation that video record employees and patrons. The cameras are visible to all. I also have panic buttons in designated areas. I do in-depth background checks on new and current employees. I already discuss any inaccuracies in records with employees immediately to resolve and prevent future actions of the nature to occur.

4. The Bureau of Motor Vehicles routinely issues new and/or revised policy and procedural changes through email broadcasts to the deputy registrars. How will you ensure that policies and procedures are communicated to the staff and followed on a daily basis?

I will continue to have staff meetings to discuss new regulations and law changes. Employees initial broadcasts that they read. I encourage employees to ask questions and take any training needed at my expense. New broadcasts containing policies and procedures are placed in a log book, which is kept in a common area for all employees to review as needed.

5.	How will you demonstrate good leadership to your employees?
	Participating in the daily operation of the business in itself sets a good example to employees. Keeping bearing and tact in the most difficult of situations makes one a great leader. Delegating and giving employees responsibility assists with trust in leadership. Rewarding and praising employees is done in public. Reprimanding of employees is addressed in private. I also encourage employees to give me feedback on the business operations.
6.	How will you maintain a high level of professionalism each day in this business?
	I keep a clear mind in all situations, and am personally accountable for my business opertions and my employees. I keep all forms of communication between employees and the public open to discuss situations as they arise. I believe that as the owner, my standards should be higher than my employees' standards. I plan to dress appropriately for business and conduct myself in a professional manner at all times, whether on or off duty.
7	II 1
7.	How do you intend to recruit and retain high quality employees?
	I conduct detailed background checks on potential employees and require all employees to have background checks done as needed. Raising the bottom bar of compensation to meet or exceed the bar of other employers' wages and offering fringe benefits should assist me in recruiting and retaining highly qualified employees.
8.	How will you provide a safe, clean and friendly place to do business?
	I plan to continue to work closely with the County's cleaning crew to make sure the business is clean and presentable to the public at the opening of each business day. I instruct employees to keep their work stations neat and in an organized fashion. It is my concern to keep employee morale up at all times, and to incorporate principles and ethics into the infrastructure of the business.
9.	How would you deal with an irate customer?
	I believe all situations have the potential to be defused if dealt with correctly from the start. I use the "nose-to-chin" theory, in that what comes from the mouth can sway how a situation plays out. I conduct myself in a way which facilitates the resolution of situations. If a patron continues in a manner that disrupts business, I notify law enforcement.

10. What training or advice do you, or will you, give to your employees for dealing with irate customer
I remind employees that most situations can be defused by remembering the "Golden Rule" that we should treat others in a way in which we want to be treated. If customers become agitated, employees are told to have me or another employee step in to finish and attempt to resolve the issue. If the patron would continue in actions that disrupt business, I contact law enforcement.
11. How will you meet the expectations of the Bureau of Motor Vehicles?
I hire and maintain a highly qualified staff. I attend meetings, trainings and seminars along with m staff to help us as a team move foward with the Bureau of Motor Vehicles. I keep open communications with the representatives of the BMV. It is my personal obligation to be the liason between the BMV and my employees to keep the public's interest in mind.
12. Why should the Bureau of Motor Vehicles consider you for a deputy registrar license agency contr
I am currently serving as a Deputy Registrar, and I feel a calling to serve the public. I enjoy working with the State in a positive manner to move forward. I have learned much as a Deputy Registrar. I also have much experience in dealing with the general public during my 15 years in la enforcement. My college degree in Criminal Justice Administration assists me in making business policies and decisions. I am an entrepeneur, a problem thinker, and a futuristic self-motivated person. I also have a love for people and want to make people's lives better.
