FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE
FORM 3.2(B) MANAGEMENT AND/OR SUPERVISORY EXPERIENCE
FORM 3.2(C) EMPLOYEE EXPERIENCE

Instructions

It is important that you supply complete and accurate information about all relevant business ownership, management, supervisory, and employment experience so that the BMV will be able to verify that experience from independent sources. Generally, proposers receive the most consideration for service as a deputy registrar, second most consideration for service as a business owner, third most consideration for service as a manager or supervisor, fourth most consideration as a deputy registrar employee without management experience, and least consideration for other employment experience without any supervisory or management experience. Be sure to include as much detailed experience possible within the submitted professional resume.

Nonprofit corporations must report only the businesses and activities conducted by the nonprofit corporation itself on Form 3.2(A) Business Ownership Experience. If the nonprofit corporation has operated a deputy registrar agency, that information should be entered and submitted on one Form 3.2(A) Business Ownership Experience. Any other business activities (fundraising, charitable activities, etc.) should also be entered and submitted on a separate 3.2(A) Business Ownership Experience. Use a separate Form 3.2 for each separate business activity performed by the NPC and a separate Form 3.2(A) for each separate business activity performed by the NPC.

Form 3.2(A) Business Ownership Experience. Deputy registrars, nonprofit corporations, county auditors, clerks of courts, and individuals should use this form to report on businesses actually owned and operated by them.

Form 3.2(B) Management and/or Supervisory Experience. Individuals, county auditors, and clerks of courts should use this form to report management and supervisory experience performed by them. Service as a county auditor or clerk of court qualifies as management and supervisory experience.

Form 3.2(C) Employee Experience. Individuals, county auditors, and clerks of courts should use this form to report all other employment that did not include management or supervisory authority.

FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE

Instructions. Please fill out one of these forms 3.2(A) for each business you have owned. Do not use this form 3.2(A) for management, supervisory, or employee experience. If you have owned more than one business, submit a separate for 3.2(A) for each business owned. *Please make additional copies of this form as necessary.*

3.3 CUSTOMER SERVICE EXPERIENCE

Instructions. Please give us a list of ideas you have to improve customer service at your deputy registrar agency. You will only receive full credit if you demonstrate sufficient customer service awareness.

- A. This is a list of ideas I have to improve customer service at my deputy registrar agency if I am awarded a contract (Please be specific) and/or this is an example of something I have done as part of my job or business to improve services for my customers (Please be specific):

As the founding chairman of the Ohio Deputy Registrar Association Technology Committee, I remain committed to collaborating with the BMV and State Representatives to eliminate outdated, unnecessary, and excessive legislation that limits productivity and efficiency. The current hardware and software tools available to Deputy Registrars are severely outdated. I will continue volunteering and serving on BMV software and hardware development projects to ensure end users—including Deputies, DX, and Clerk of Courts—have access to tools that enhance productivity, reduce customer wait times, and improve product security. These improvements will ultimately lead to superior customer service.

Additionally, I am committed to improving and expanding reinstatement options and tools at Deputy Registrar locations. Streamlining the reinstatement process will reduce wait times, lessen the burden on BMV call center resources, and improve the overall customer experience.

I am currently "piloting" the IRP renewal system, marking the second time in my career that our office has issued IRP registrations. The results have been transformative, with customer wait times reduced from days to mere minutes at Deputy locations—an enormous leap forward for customer service. While this program is still in its early stages, my feedback has already led to significant enhancements in the delivery system, and I remain dedicated to its improvement, strengthening, and expansion.

In partnership with EasyBMV and its vendor, I am working to expand available services and improve the technology accessible to Deputy Registrars. This includes developing AI-powered phone systems and error-correction solutions to enhance operational efficiency and customer satisfaction.

3.9 INVOLVED AND INVESTED IN YOUR BUSINESS

Instructions: Answer all of the following questions to the best of your ability. Please be concise and attempt to limit each answer to seventy-five (75) words or less. Include attachment(s) if more space is needed to answer any of the questions.

1. How do you plan to manage, be responsible, and be accountable for this business at all times?

I will manage and remain accountable through active involvement, ensuring a thorough understanding of all operations. With 39 years of experience in a deputy registrar agency and a Master's degree in business focusing on accounting, I am proficient in financial and procedural management. Video surveillance will record transactions and safeguard assets, providing transparency and ensuring compliance with all guidelines, laws, and regulations.

2. How will you ensure that all laws, rules, guidelines and procedures are followed, at all times, specifically with regard to issuing and renewing driver's licenses, identification cards, and vehicle registrations?

I will review DL/ID and VR transactions daily, perform random employee audits, and address errors immediately with corrective action. Training deficiencies will be shared with the team to prevent recurrence. Daily team huddles before opening will ensure employees are up to date on legislative updates and procedural changes, promoting consistent compliance with all laws and regulations.

3. What measures will you put in place to detect, deter, and prevent fraud?

I will implement dual verification for document authenticity, use equipment to detect document and currency security features, and train employees to recognize fraudulent documents, suspicious activity, and social engineering. Random cash drawer audits and continuous monitoring via video surveillance will deter and detect fraudulent behavior. These proactive measures will safeguard the business against fraud and maintain operational integrity.

4. The Bureau of Motor Vehicles routinely issues new and/or revised policy and procedural changes through email broadcasts to the deputy registrars. How will you ensure that policies and procedures are communicated to the staff and followed on a daily basis?

I will print and distribute broadcasts upon receipt, requiring employee signatures to confirm acknowledgment. Daily huddles will reinforce updates, address questions, and inform staff who were absent. Encrypted communication will securely share sensitive updates. These measures ensure all team members stay informed and compliant with the latest policies and procedures.

5. How will you demonstrate good leadership to your employees?

I will demonstrate good leadership by leading through example—showing strong communication, dedication, and accountability. I will foster a sense of ownership and mutual accountability, develop employees' talents through positive reinforcement, and challenge the status quo when necessary. I will accept responsibility for mistakes, support team members in doing the right thing, and prioritize integrity and character. By encouraging growth and teamwork, I will inspire a culture of excellence and commitment.

6. How will you maintain a high level of professionalism each day in this business?

I will maintain professionalism by embodying a positive, optimistic attitude and a strong commitment to integrity, expecting the same from my team. I will embrace change, reject mediocrity, and prioritize exceptional customer service. Personal issues and gossip will be kept out of the workplace, fostering a focused and respectful environment. By showing up early, staying late, supporting team members, and continuously refining my professional skills, I will set a high standard for excellence every day.

7. How do you intend to recruit and retain high quality employees?

I will recruit employees who match or exceed my drive, goals, and philosophies, prioritizing diversity to bring unique perspectives and foster innovation. Retention will be achieved by creating a safe, collaborative environment where employees feel valued and contribute to a high-quality customer service experience. I will seek individuals with positive attitudes, as they inspire the entire team and enhance workplace morale. By supporting growth and fostering teamwork, I will build and maintain a strong, effective team.

8. How will you provide a safe, clean and friendly place to do business?

I will ensure a safe, clean, and friendly environment through staff training to identify and handle threats discreetly, panic buttons at key locations, and extensive video surveillance inside and outside the building. Professional cleaning services will maintain cleanliness, while a well-lit, organized workspace promotes safety and efficiency. Additionally, I will foster a strong rapport with local law enforcement to enhance security and ensure a welcoming, professional atmosphere for both customers and employees.

9. How would you deal with an irate customer?

I would remain calm, keeping emotions in check and not taking the situation personally. I would listen carefully, show sympathy, and restate their concern to ensure understanding. Using positive language, I would focus on what I can do to help, taking responsibility and apologizing if warranted. Equally important, I would express sincere empathy and work to provide solutions, ensuring the customer feels heard and valued while deescalating the situation professionally.

10. What training or advice do you, or will you, give to your employees for dealing with irate customers?

I will train employees through role-playing exercises, switching roles between "irate customer" and "helpful clerk," to foster empathy and understanding. This helps employees recognize the importance of connecting with the person on the other side of the counter. I will emphasize avoiding complacency and robotic behavior, as these can seem uncaring. Instead, I'll encourage finding common humanity, using positive body language, and smiling to defuse potential conflicts and create a welcoming atmosphere.

11. How will you meet the expectations of the Bureau of Motor Vehicles?

I will meet BMV expectations by being a motivated, organized team leader focused on accuracy, procedural compliance, exceptional customer service, and fiscal accountability. My proven track record demonstrates the ability to perform effectively under sudden deadlines, with limited resources, or amid changing priorities. By maintaining high standards and fostering a strong, efficient team, I will consistently deliver results that align with the Bureau's expectations and uphold its commitment to excellence.

12. Why should the Bureau of Motor Vehicles consider you for a deputy registrar license agency contract?

With 39 years of experience as a deputy in a high-volume, one-stop location, I am passionate about this role and committed to exceptional customer service. My skills in leadership, technology, accounting, project management, team building, strategic planning, and time management make me highly qualified. I continuously strive to improve efficiency and maintain organization, ensuring smooth operations. These qualities make me an ideal candidate for a deputy registrar license agency contract.
