28. Employment, management, supervisory, and business experience. Each Proposer's experience is one of the most important factors to be considered in the award of deputy registrar contracts. For the purposes of this RFP, experience gained prior to the year 1990 will not be evaluated or considered. Please provide a professional resume, in chronological order (no earlier than 1990), the positions you have held. If the position you held in 1990 was one you started before 1990, you may list that position and the date you actually started on your submitted resume. If you did not hold any position in 1990, please begin with the first position you held after 1990. If applying as a NPC, please provide a description of the fundraising, program, and charitable functions of the nonprofit corporation.

FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE FORM 3.2(B) MANAGEMENT AND/OR SUPERVISORY EXPERIENCE FORM 3.2(C) EMPLOYEE EXPERIENCE

Instructions

It is important that you supply complete and accurate information about all relevant business ownership, management, supervisory, and employment experience so that the BMV will be able to verify that experience from independent sources. Generally, proposers receive the most consideration for service as a deputy registrar, second most consideration for service as a business owner, third most consideration for service as a manager or supervisor, fourth most consideration as a deputy registrar employee without management experience, and least consideration for other employment experience without any supervisory or management experience. Be sure to include as much detailed experience possible within the submitted professional resume.

Nonprofit corporations must report only the businesses and activities conducted by the nonprofit corporation itself on Form 3.2(A) Business Ownership Experience. If the nonprofit corporation has operated a deputy registrar agency, that information should be entered and submitted on one Form 3.2(A) Business Ownership Experience. Any other business activities (fundraising, charitable activities, etc.) should also be entered and submitted on a separate 3.2(A) Business Ownership Experience. Use a separate Form 3.2 for each separate business activity performed by the NPC and a separate Form 3.2(A) for each separate business activity performed by the NPC.

Form 3.2(A) Business Ownership Experience. Deputy registrars, nonprofit corporations, county auditors, clerks of courts, and individuals should use this form to report on businesses actually owned and operated by them.

<u>Form 3.2(B) Management and/or Supervisory Experience</u>. Individuals, county auditors, and clerks of courts should use this form to report management and supervisory experience performed by them. Service as a county auditor or clerk of court qualifies as management and supervisory experience.

<u>Form 3.2(C)</u> Employee Experience. Individuals, county auditors, and clerks of courts should use this form to report all other employment that did not include management or supervisory authority.

FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE

Instructions. Please fill out one of these forms 3.2(A) for each business you have owned. Do not use this form 3.2(A) for management, supervisory, or employee experience. If you have owned more than one business, submit a separate for 3.2(A) for each business owned. *Please make additional copies of this form as necessary*.

3.3 CUSTOMER SERVICE EXPERIENCE

Instructions. Please give us a list of ideas you have to improve customer service at your deputy registrar agency. You will only receive full credit if you demonstrate sufficient customer service awareness.

A. This is a list of ideas I have to improve customer service at my deputy registrar agency if I am awarded a contract (Please be specific) and/or this is an example of something I have done as part of my job or business to improve services for my customers (Please be specific):

This is an example of some things that I have done at my agencies to improve our customer service:

We acknowledge your customers as soon as possible, greeting them in a friendly and timely manner. We are cheerful, courteous, respectful and professional throughout the customer service interaction. We actively listen to the customer and clarify any questions being asked, if necessary. We close the customers interaction by asking, "Is there anything else that we can help you with today?" We also thank each and every customer for their patronage.

We apply stickers to customers plates, even putting the plates directly on for the elderly and handicap customers. we provide drop-off service for our fleet customers and pre-screen the line when it forms. If we are able to see due to a disability, we will call them to the counter immediately and hold their place in line.

This is an example of somethings that i do as part of my job:

First, i continue to work a terminal each and everyday alongside my staff. This allows me to model good customer service and monitor them for training opportunities. This leads to consistency within my agencies. I continue to utilize mystery shoppers (family,friends etc) in person and by phone. The feedback from this program is still being used to make improvements in our customer service offerings. Our frequent staff meetings ensure we are all up to date on the latest changes.

nee	ded to answer any of the questions.
1.	How do you plan to manage, be responsible, and be accountable for this business at all times?
	I know first hand the importance of being available and accountable as a Deputy Registrar, I work in my agencies in every position. This allows me to have working knowledge of what is going on daily. During the times I am not physically on-site, my manager and Field Rep. know that I can be reached by my cell phone if I'm needed at the agency, I live nearby so its is easy for me to come in.
2.	How will you ensure that all laws, rules, guidelines and procedures are followed, at all times specifically with regard to issuing and renewing driver's licenses, identification cards, and vehicle registrations?
	Training is the key to insure all laws, rules, guidelines and procedures are followed at all times. New employees are thoroughly trained and do not work alone until I'm confident in their abilities. Employees know and are frequently reminded of the steep consequences of issuing outside the set perimeters. Applications are reviewed daily for accuracy.
3.	What measures will you put in place to detect, deter, and prevent fraud?
	I continue to select employees that I feel are trustworthy. Their training is my first line of defense. We do not hesitate to review instance of employees that have crossed the line. Security cameras are strategically placed throughout the agency to thwart crime from customers and employees Each use of black light and a magnifying glass is still used to detect erasures and smudges due to alterations. Employees tills are spot checked for accuracy.
4.	The Bureau of Motor Vehicles routinely issues new and/or revised policy and procedural changes through email broadcasts to the deputy registrars. How will you ensure that policies and procedures are communicated to the staff and followed on a daily basis?
	New broadcast and emails are immediately reviewed and initialed by each employee acknowledging that they have read and understand the information. If it requires immediate attention than all employees are briefed on the change at once.

5.	How will you demonstrate good leadership to your employees?
	I demonstrate and feel that the most important qualities of being a good leader include integrity, accountability, empathy, humility, resilience, listening, being trustworthy and open-minded. I treat my employees as I would like to be treated, and always being mindful of my attitude and my actions.

With every transaction, we endeavor to use good judgment and polite behavior in reminder that we are representing the Bureau of Motor Vehicles. Our dress code is designed to encourage employees to give a professional appearance.
7.	How do you intend to recruit and retain high quality employees?
	Whenever I have an opening, I will typically hire someone familiar with the license bureau operations: however, I would be willing to hire someone with no experience and I would be willing to train them thoroughly. All applications will be reviewed in a thorough manner, double checking employment history and contacting references. At the moment, I have a loyal and knowledgeable staff and have been with me for many years.
8.	How will you provide a safe, clean and friendly place to do business?
	We have video surveillance system throughout the building. The bureau is well lit with proper lighting. Childproof guards are installed-in the electrical outlets located in the customer service area to keep little fingers out. We have a cleaning schedule that we maintain and do spot cleaning throughout the day. Carpet cleaning is done three to four times a year. Walls are basically touched up as needed. Bathrooms and break area are well maintained and fully stocked. I put up decorations

9. How would you deal with an irate customer?

Remain calm!! When a customer becomes irate, the 1st thing I do is try to alleviate any further escalation. Management will take over the situation immediately keeping their voices low and listen to their issue and show empathy. We then try to give all options to the customer in order to resolve their issues satisfactorily. If we feel their is a safety concern, we will contact law enforcement.

for holidays observed and in between. My staff is trained to greet each customer with a friendly

smile and hello as they walk through the door and as well as answering the phone.

10.	What training or advice do you, or will you, give to your employees for dealing with irate customers?
	Do not take it personal! Although customers take their frustrations out on you, they know that you are not the cause of the problem. I also tell them not to argue back, to be kind, patient and ready to apologize if necessary. If all else fails, notify a manager.
11.	How will you meet the expectations of the Bureau of Motor Vehicles?
	I will continue to carry out the duties of our office as bestowed by my contract and assist the Bureau of Motor Vehicles by fulfilling the obligation as set fourth in the Motor Vehicle laws of the State of Ohio. I strive to continue to receive exceptional evaluations & performance scores.
12.	Why should the Bureau of Motor Vehicles consider you for a deputy registrar license agency contract
	The bureau has many reasons to appoint me to my position as a Deputy Registrar. I have held my position as a Supervisor/Deputy for 32 years. I am a strong leader, trustworthy and have excellent customer service skills. I am a good, fair, honest, hard working and attentive employer who stays on top of my agency duties and financial obligations. I am very passionate about my job and my track record exceeds what I can do. I have been an asset to the BMV, and I feel that I embody what the BMV looks for in a Deputy Registrar.
	I am considered a valued member of our community, and that good reputation translates well for the Bureau of Motor Vehicles.
