FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE
FORM 3.2(B) MANAGEMENT AND/OR SUPERVISORY EXPERIENCE
FORM 3.2(C) EMPLOYEE EXPERIENCE

Instructions

It is important that you supply complete and accurate information about all relevant business ownership, management, supervisory, and employment experience so that the BMV will be able to verify that experience from independent sources. Generally, proposers receive the most consideration for service as a deputy registrar, second most consideration for service as a business owner, third most consideration for service as a manager or supervisor, fourth most consideration as a deputy registrar employee without management experience, and least consideration for other employment experience without any supervisory or management experience. Be sure to include as much detailed experience possible within the submitted professional resume.

Nonprofit corporations must report only the businesses and activities conducted by the nonprofit corporation itself on Form 3.2(A) Business Ownership Experience. If the nonprofit corporation has operated a deputy registrar agency, that information should be entered and submitted on one Form 3.2(A) Business Ownership Experience. Any other business activities (fundraising, charitable activities, etc.) should also be entered and submitted on a separate 3.2(A) Business Ownership Experience. Use a separate Form 3.2 for each separate business activity performed by the NPC and a separate Form 3.2(A) for each separate business activity performed by the NPC.

Form 3.2(A) Business Ownership Experience. Deputy registrars, nonprofit corporations, county auditors, clerks of courts, and individuals should use this form to report on businesses actually owned and operated by them.

Form 3.2(B) Management and/or Supervisory Experience. Individuals, county auditors, and clerks of courts should use this form to report management and supervisory experience performed by them. Service as a county auditor or clerk of court qualifies as management and supervisory experience.

Form 3.2(C) Employee Experience. Individuals, county auditors, and clerks of courts should use this form to report all other employment that did not include management or supervisory authority.

FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE

Instructions. Please fill out one of these forms 3.2(A) for each business you have owned. Do not use this form 3.2(A) for management, supervisory, or employee experience. If you have owned more than one business, submit a separate for 3.2(A) for each business owned. *Please make additional copies of this form as necessary.*

3.9 INVOLVED AND INVESTED IN YOUR BUSINESS

Instructions: Answer all of the following questions to the best of your ability. Please be concise and attempt to limit each answer to seventy-five (75) words or less. Include attachment(s) if more space is needed to answer any of the questions.

1. How do you plan to manage, be responsible, and be accountable for this business at all times?

I will be a full time Deputy Registrar who pays attention to all details on operating an agency. I will also have an assistant manager and a supervisor to assist in the daily operations to make sure all procedures are being followed. I will continue to hire quality employees that understand policy and procedures of the BMV. With a knowledgeable and quality team in place this allows me to manage, be responsible and accountable for my agency at all times.

2. How will you ensure that all laws, rules, guidelines and procedures are followed, at all times, specifically with regard to issuing and renewing driver's licenses, identification cards, and vehicle registrations?

Working diligently to stay up to date on all policies and immediately educating the entire staff on any changes. All staff must go through a thorough training period which includes reading and understanding all manuals, shadowing with a senior staff member before any transaction can be issued. I and/or manager are always present on the sales floor to assist and ensure all procedures are followed properly. We are to always continue to read the manuals, during slow times and system outages. Driver's license and State Id's cards go through a screening process. First the clerk verifies all documents then management verifies the documents. DL/ID and VR applications are reviewed by management to make sure all supporting documents are present.

3. What measures will you put in place to detect, deter, and prevent fraud?

We follow all procedures from the BMV fraudulent training program. All employees are trained to scrutinize all documents for authenticity. Employees are also provided with tools to help in identifying fraudulent documents. The agency is equipped with a 12 camera surveillance system which deters employees and customer. I have a crossed cut shredder, locked shred bin and a locked dumpster to ensure sensitive documents are destroyed securely and appropriately.

4. The Bureau of Motor Vehicles routinely issues new and/or revised policy and procedural changes through email broadcasts to the deputy registrars. How will you ensure that policies and procedures are communicated to the staff and followed on a daily basis?

When a new broadcast on any type of change is issued the first thing I do is print it and make a verbal announcement. Once that is completed I pass the broadcast along to the staff so they can read it also. All staff are to initial the broadcast stating that they read it and understand it. Any employee that does not understand it will come to me so I can explain it. All broadcast are saved and filed. Management while checking applications will verify if the new procedure is being followed. Periodic employee meetings will be held to review changes and policies.

5. How will you demonstrate good leadership to your employees?

I will communicate openly and regularly and listen to employees. By being confident in all policies of the BMV and understanding all transactions will instill confidence in all employees. I am a team player which inspires staff members and brings out the trust and best efforts of the staff daily. I will delegate certain duties, resolve conflicts, demonstrate empathy and set goals for the agency.

6. How will you maintain a high level of professionalism each day in this business?

I will strive to maintain a highly skilled and motivated work force in order to provide my customers with excellent service. My staff will be trained to perform their duties in a competent, professional, efficient and friendly manner. While working side-by-side with my staff they understand my philosophy for being professional at all times and the value this creates for the agency and the State of Ohio. All staff will be groomed and dressed appropriately and wear name badges.

7. How do you intend to recruit and retain high quality employees?

I will always take interest in any employee that has agency experience that maybe available for hire. I also give a cash incentive for any employee that refers an applicant that I hire. I am utilizing online recruitment companies - Indeed and ZipRecruiter. Retaining employees starts with effective hiring, selecting the right candidate for an interview. Offering a competitive wage, benefits and flexible work schedule. Creating a pleasant work atmosphere where we all work as a team but still recognize and reward individual achievements. Promoting from within when possible.

8. How will you provide a safe, clean and friendly place to do business?

Agency is equipped with a Fire Alarm system and Surveillance camera and panic buttons at each terminal, 3 fire extinguishers and all phones are programmed with 911. Customer area is free of any obstructions, rubber back rugs to prevent slipping. Agency rugs and floors are vacuumed or swept daily. Doors and windows are checked daily for fingerprints. Keeping the employee work area neat and organized is also daily routine. Having employees dress in appropriate manner, greeting each customer, providing great customer service in a pleasant atmosphere creates a friendly place to do business. I also provide kid stickers or suckers to children.

9. How would you deal with an irate customer?

The first thing I do is remain calm and greet the customer in a pleasant manner. Then I will ask what I can help you with. From there I will listen to the situation without interrupting them. Listening to an irate customer is extremely important. Once I understand the situation I show empathy for the situation, then I find a solution to help solve the problem. Showing a customer that you are concerned and want to help normally settles them down. We also offer a front of the line pass if the customer will be returning the same day. As I finish up with the customer I will apologize for any inconvenience.

10. What training or advice do you, or will you, give to your employees for dealing with irate customers?

I have a separate customer service policy that all employees must read and follow also YouTube videos. Employees are to attempt to handle the customer by explaining BMV policy and letting them know they are there to help them, at the same time they must stay calm, be patient, sincere, understanding and respectful. If the employee cannot resolve the issue they are to excuse themselves from the customer and inform them they will get a manager or myself to help with the situation.

11. How will you meet the expectations of the Bureau of Motor Vehicles?

I will consistently follow procedures set forth by the BMV and Ohio Revised Code and all directives from the Registrar. My staff and I will continue to provide excellent customer service in a professional and friendly manner. I will ensure staffing is appropriate for minimum wait times, all the while maintaining a safe, clean, courteous, comfortable and professional atmosphere for both my customers and employees.

12. Why should the Bureau of Motor Vehicles consider you for a deputy registrar license agency contract?

Being involved with the BMV for 35 years, 31 as Deputy Registrar, I believe I have demonstrated my commitment to perform my job as outlined by the Bureau of Motor Vehicles. I still have the same passion for the job as when I first started. I am a full time Deputy. I am honest, dependable and accountable for running an efficient agency. I continue to perform well on evaluations. I have excellent customer retention. I have always stayed on top of all taxes, unemployment compensation, social security payments, workers compensation and all agency expenses, my agency is solvent.
